

April 11, 2019
In Loving Memory of
Victoria "Tori" Rose Whiteman

Dear Family and Friends,

Our dear Victoria's (Tori's) 30th birthday would have been April 11, 2019. We should be celebrating with her what should have been another big stage in her life, instead we will celebrate her beautiful soul and her loving and compassionate life.

We have been doing our best to make some positives out of this tragedy we live with every day, we are forever heartbroken. To keep Victoria's memory and passion alive, we have established "The Victoria Rose Whiteman Foundation, a NJ nonprofit corporation," which has been approved by the IRS as a 501(c)(3) charity, so donors can contribute and claim tax deductions. To emulate Victoria's compassion, kindness and empathy towards others, the Foundation plans to: award scholarships to graduates (elementary, high school, college) who exhibit those characteristics in their everyday lives; promote empowerment programs for women who were abused; promote mental health awareness and suicide prevention - all of which were passions and goals of Victoria.

The Foundation website is www.VictoriaRoseFoundation.org

Please continue to think of our dear Angel Victoria, and continue to talk fondly about her - we love that, and it will continue to keep her memory alive. In memory of Victoria, we again ask each of you to do one random act of kindness - simply saying "thank you" or "have a nice day" can put a smile on someone's face. Thank you for your continued love and support.

Love, Bob and Barbara

"Never stop paying it forward in life."

Victoria (Tori) Rose Whiteman

Forever in our hearts

Victoria
